VALUES, AIMS and VISION

MISSION STATEMENT

We prepare our children for the challenges of the future in a nurturing and stimulating environment built on Catholic foundations.

VALUES

At St Joseph's Park Hill we value the unique individuality of every child and every child is valued and recognised as a child of God.

Following the example of our Foundress Catherine Mc Auley, we place great importance on the need for tolerance and understanding and concern for others.

We teach our children to follow the example of St Joseph whose values are humility and gentleness.

We value respect and we teach our pupils the importance of having respect for their parents, for their teachers, for each other, for God's creation and for themselves.

We have a strong belief in the traditional values of hard work, courtesy and good behaviour.

We value friendship and forgiveness and our children are taught to "LOVE ONE ANOTHER"

AIMS

We aim to provide the highest quality of teaching and learning for all our children.

We aim to provide an environment where children are respectful to each other, to the staff and to themselves.

We aim to provide opportunities for our children to develop spiritually, acquiring an appreciation of their own and others faiths, cultures and beliefs.

We aim to provide an environment where our children are happy and feel safe from bullying and discrimination.

We aim to provide a happy, caring environment where success is celebrated and hard work rewarded.

We aim to develop the knowledge, understanding and skills necessary for our children to enter the next phase of their education with confidence and motivation.

We aim to encourage our children to be aware of the needs of others in this country and around the world.

We aim to provide an environment where children are free to express themselves and to want to learn.

We aim to build an inclusive community where all are valued.

VISION

At St Joseph's Park Hill our vision is that each precious child that comes to us will be taught values which will ensure that when they leave us:

they are respectful of others, acknowledging that the world is a diverse place, created by God

they are motivated to learn and have the confidence to believe that they can achieve anything if they work hard and believe in themselves

they have the essential skills to take their place in an ever changing world

they are enthusiastic and hopeful about their future

they have the values that lead them to ask not "What do I want to be when I grow up?" but "What kind of person do I want to be when I grow up?"

I am delighted to welcome you and your precious child to our school.

We are a Roman Catholic School owned by the Sisters of Mercy and our Christian ethos is simple and tangible. We provide a safe, happy, caring and nurturing environment for your child. An environment where children are taught to “Love One Another.”

We acknowledge that your child is unique and your child will be loved and valued as a child of God. We promote academic success and believe wholeheartedly in the education of the whole child.

Our school motto is “SINE FINIBUS” (*without limits*) and we will teach your child that they can achieve anything if they work hard and want to succeed.

Our dedicated and enthusiastic staff will work with you to ensure that your child develops their individual talents to the best of their ability.

I hope your child will be very happy at Park Hill and if you have any concerns do not hesitate to speak to the class teacher or myself. We can only solve a problem if we know about it.

It may be helpful to explain that children progress at different rates. Please do not fall into the trap of comparing your child with others.

Choosing the “right” school is one of the most important decisions that you will make for your child. Choosing Park Hill means that you have chosen to give your child the best possible start in life.

I look forward to getting to know you and your child over the coming years.

Best wishes,
Annette Robinson

Information for Parents

The information in this booklet will answer most of your questions, but if there is anything you are not clear about, please feel free to contact the office and hopefully we will be able to answer your queries.

UNIFORM

Children should be in full school uniform at all times.

Our uniform is only available from Gray's in Clitheroe apart from pre-school uniform, tracksuits and bags which are available from school. A full list is attached to this booklet. All uniform and belongings should be clearly marked with your child's name. Sew-in labels are the most suitable and can be purchased from Gray's.

THE SCHOOL DAY

Lessons begin at 8:40am.

Your child will be greeted at the front door from 8.30am. The door is closed at 8.40. If your child arrives after 8.40 their names will be put into a "Late Book" which is monitored by the Headteacher.

(NB: If your child is left on the playground before 8.25 then they will be taken to Morning Club and you will be charged – see below)

If your child is in Reception Class you may accompany them to their classroom in the Autumn Term. After that we encourage you to leave them at the front door to walk to their class independently.

If your child is in pre-school you must take your child in in the mornings and meet them in the afternoons at the pre-school door.

School ends at 3.30 pm.

If your child is in the Infants (Reception, Y1 or Y2) you should wait in the triangle area at 3.30 and your child's teacher will "pass" your child to you.

If your child is in the Juniors (Y3, Y4, Y5, Y6) you should wait for them on the front yard.

Extra-Curricular Clubs

If your child is attending an Extra-Curricular Club please wait on the front yard until the club is over. You should then come into school and sign your child out, so we are assured that your child has been collected.

Costs for morning Club and After School Club are detailed below.

Morning Club

Morning Club is available from 8.00am-8.30am. Your child will be offered breakfast.

After School Club

After School Club is available from 3.30pm – 6.00pm and is run by our own school staff. Your child will be able to attend ASC on a regular or ad-hoc basis. Collection for children in ASC is via the Triangle. Please ring the bell by the door.

Holidays

You are expected to take holidays during term time only. If this is not possible you must complete an absence request form in advance and hand it to the Headteacher.

Absences

Please inform the school before 9.15 am if your child is going to be absent for any reason. If we have not heard from you by 9.30 we will phone you to see where your child is.

Please inform school if your child has a hospital, doctor's or dentist's appointment.

Illness

Your child should **not** be in school if they have been vomiting or had diarrhoea in the last 48 hours.

If your child has a heavy cold or sore throat you should keep them at home to prevent the spread of germs.

If your child is not well enough to go out at playtimes or take part in Games (including swimming) and /or PE lessons then they should not be in school. (Broken limbs are the exception, and special cases must be discussed with the Headteacher.)

Please inform us if your child has headlice.

If your child feels unwell during the school day, they will be observed by the staff and we will inform you at the end of the school day.

If your child is sick, develops a rash, has diarrhoea or the staff feel it is appropriate for any other reason, you will be contacted and asked to make arrangements for your child to be collected.

If your child bangs his/her head during the day we will inform you by phone. If we agree that your child is well enough to stay in school, an accident form will be completed and your child will be given a 'bumped head' sticker to wear so that all staff are aware that your child has had a bump to the head and should be monitored. Otherwise you will be asked to make arrangements for your child to be collected.

Medicines

If your child needs to take prescribed medicine during school hours, please contact the school office. All medicine must be clearly labelled by the doctor/pharmacist with your child's name and correct dosage. The medication must be handed to the

office (*with the exception of inhalers – see below*) along with a completed administration request form (available from the website). We have qualified First Aiders in school who can administer prescribed medication.

Inhalers

If your child suffers from asthma you are required to fill in an Asthma Management Form. This form is usually sent out to you at the beginning of each school year and you should inform school if there are any changes during the year. On the form you should detail signs to look for and instructions for the administration of your child's inhaler.

Your child's inhaler is kept in your child's classroom and taken with them for PE, games and out of school activities. Staff record each time your child's inhaler has been administered.

Allergies

If your child suffers from allergies or food intolerances please inform us.

Accident and Emergencies

We send out Contact Forms at the start of each new academic year. Please ensure that these are returned swiftly. If you change contact numbers you **must** inform school so that you (or another relative) can be informed if your child is ill or involved in an accident at school. Please let us know of any change of address or personal circumstances.

Money

All monies should be clearly labelled with the child's name, amount, and purpose.

Travel

We will ask for and obtain your written permission before your child can take part in an out of school activity.

Lunches and snacks

We provide a hot healthy lunch each day. Halal and vegetarian options are available daily. Your child may opt out of school lunches but only with good reason. If your child brings a packed lunch please note that fizzy drinks and sweets are not allowed.

Children may bring fruit for morning break. A bottle of water, provided by school and labelled with your child's name should be in school at all times. The water fountain is available in school for them to fill up their bottle.

House System

Our school operates a House system. There are four houses: St George, St David, St Andrew and St Patrick. From year 1 each child is allocated a house. Children are rewarded House points for good work and behaviour. These are added up and a trophy is given to the winning house each week in assembly.

Headteachers Awards

A child from each class is awarded a Headteacher's Award each week for hard work in class. This is decided by the class teacher and presented at Friday's Family Assembly.

Star of the Week

A child from each class is awarded Star of the Week for showing our school values. These are nominated by their classmates and presented at Monday's Key Stage Assemblies.

Miscellaneous

Please do not approach a child in the school without a parent's and/or teacher's permission.

All visitors to the school, including parents, MUST report to the office.

Teachers see parents on a regular basis to discuss their child's progress. However, if parents would like to speak to the teachers at other times please contact the secretary to make a mutually convenient appointment.

Parents are requested not to enter classrooms during lessons.

The Headteacher will be pleased to see parents on any matter they wish to discuss. An appointment is usually advisable.

Dogs should not be brought onto the playground or field.

Religious Education

We are a Roman Catholic School founded by Catherine McAuley and the Sisters of Mercy and we are happy to welcome children of all faiths. We encourage and celebrate diversity and children explore different cultures and religions within the curriculum. All children are encouraged to speak about their beliefs and customs and children are taught to respect everyone.

As a Catholic School our worship is based on Catholic doctrine. We follow the Salford Diocese Scheme of Work: Come and See.

Prayers are said in class every day and all children attend weekly Key Stage and whole school assemblies which have a religious theme, a story from the Bible, prayers and a hymn. Weekly reflections take place in each class and RE lessons take place daily. Special Feast Days, Holy Days and Liturgical Seasons are celebrated.

All children are expected to join in prayers and acts of worship respectfully.

Sacramental Programme

Our Roman Catholic children are prepared for the Sacraments of Reconciliation, and Holy Eucharist when they are in Year 3.

Some preparation takes place in school and we follow the Salford Diocese Programme.

If your child is Roman Catholic and you wish them to receive the Sacraments, you must contact your Parish Priest and the Person responsible for the Programme in your Parish School. We will also contact your Parish Priest to ensure that the children are taking part in the programme within the Parish.

Parents are encouraged to support the programme by attending meetings within the Parish.

Sports

Here at St Joseph's Park Hill, we recognise the importance of a healthy and active lifestyle for our children.

We are committed to a curriculum which places high importance on Games, PE and Sport.

Our school is part of the BSSP (Burnley Schools Sports Partnership) and your child will be given the opportunity to take part in a huge variety of sports, fixtures and competitions both internally, at regional level, county level and even nationally. Specialist coaches assist our sports staff in developing your child's skills whilst encouraging your child's enthusiasm and participation.

If your child is in pre-school, Reception, Y1, Y2, Y3 or Y4 they will have a weekly dance lesson with a specialist dance teacher.

When your child is in Y3 and Y4 they will have a weekly swimming lesson (invoiced annually) at Padiham baths.

We take part in a number of ISA (Independent Schools Association) competitions and tournaments.

Our children compete in the Burnley Cross Country Competition and the Burnley Tag Rugby Tournament, (organised by the Lancashire Schools Sports Partnership).

Sports Day takes place in the Summer term. This gives the children the opportunity to experience competition as they compete to win first, second, third

and fourth place for their House. The House with the most points wins the Sports Day Cup.

What can you Do If Something Goes Wrong?

Things sometimes go wrong for children in school. The following structure helps your child to feel confident that there is always an adult or trusted peer who will help with problems should they arise anywhere in school.

Who can help?

Your teacher
Any teacher
Mrs Robinson – headteacher
Mrs Duncan – School Business Manager
Any member of staff
Prefect

If your child thinks they have been treated unjustly they can approach any of the above.

If your child is anxious about making the complaint they can ask a Prefect or a friend to accompany them for support.

All complaints will be treated seriously and confidentially.

If your child thinks that their complaint has not been dealt with satisfactorily, they should discuss the issue with you. You can then speak to your child's class teacher or the Headteacher.
