WHAT IS BULLYING?

Bullying is usually repeated over time and intentionally hurts another pupil or group physically or emotionally and is carried out by one child or a group of children.

It is often motivated by prejudice against particular groups, for example, on grounds of race, religion, culture, sex, gender, homophobia, special educational needs and disability, or because a child is adopted or a carer.

It may occur directly or through cyber-technology (social websites, mobile phones, text messages, photographs and email)

Bullying, both physical and emotional, can make pupils very unhappy, can hinder their academic progress and can cause long term psychological harm.

Bullying is not the same as one off incidents which happen because of an argument or children falling out.

Bullying behaviours may take a variety of forms, including

- Emotional (hostility, isolating or excluding behaviour)
- Physical (aggression and unwanted physical contact)
- Verbal and physical victimisation in relation to features or characteristics of the victim (including: race / ethnicity, gender, sexuality, sexual orientation, disability, SEN, religion or belief)
- Verbal (name calling, taunts and teasing)
- Cybernet or on-line bullying through social communication networks
- Wilful damage to someone's property or theft

CYBERBULLYING

The DSL has overall responsibility for ensuring that pupils are safe from on-line bullying.

Miss Charlotte Grillo is our On-Line Safety Ambassador in school.

Children are monitored at all times when using laptops and firewalls are in place.

Children are not allowed to bring mobile phones to school.

On-line safety is covered within the Computing Curriculum and students are taught how to stay safe on-line

Web addresses and emails are sent regularly to parents detailing websites which give advice regarding keeping children safe on-line.

Children are encouraged to speak to staff or use the "Worry Box" if they have worries or concerns or are anxious.

Personal data is stored in line with statutory requirements.

(Please refer to the school's On-line Safety Policy)

PROCEDURE

All concerns regarding actual or suspected bullying should be reported to staff as soon as possible after they have occurred.

Where a member of staff receives a report of bullying, he/she will:

- Take action to terminate the incident and satisfy themselves of the welfare of the victim
- Compile a written report of the incident
- Pass the report to the Head teacher as soon as possible after the incident

The Headteacher will log the incident and decide on the appropriate action.

Where a pupil is found to have been guilty of bullying behaviour:

- Appropriate action will be taken and sanctions put in place
- The Head teacher will inform parents (of both victim and aggressor) as to the occurrence of the incident and the action taken
- Where necessary the Head teacher may request parents of the aggressor to attend a meeting to discuss any underlying behaviours or attitudes

The Headteacher shall consider and where appropriate devise a strategy which achieves or involves the following outcomes:

- The provision of an apology from the aggressor(s)
- Reconciliation of pupils
- Monitoring and preventative measures

The Headteacher shall consider suspension and exclusion from the School if

- the conduct is serious
- the conduct is repeated
- the aggressor has failed to respond adequately to prior outcomes

- a child has committed a premeditated act of physical assault upon another child

If the Headteacher feels that there is reasonable cause to believe that a child is suffering or likely to suffer significant harm, then the incident should be treated as a child protection concern and reported to external agencies (such as the police or children's social care)

The Headteacher will keep a written record (signed and dated) of all incidents, including:

- The nature of the bullying behaviour
- The action taken
- The sanctions imposed
- The reason for the decisions taken
- The steps identified to monitor such behaviour and avoid its repetition
- The steps taken to provide assurance and protection to the victim.

The implementation, monitoring and review of this Policy is the responsibility of the Headteacher
