

PSHE

In their PSHE lessons over the past 2 weeks, the children have covered Antbullying Week and UK Parliament week. We held an Odd Socks Day to celebrate differences and we had a message from our new MP for Burnley. The children learnt about British Values and the importance of respect and tolerance.

Multi-Skills

On Monday 18th November, four children from Year 4 attended a Multi-Skills event at Burnley College. The children were paired with another school and had 9 events to complete. The events consisted of football skills, bowling, noughts and crosses and catch the tail, bee tig and more. The children thoroughly enjoyed this event and found all of the activities fun and challenging. Well done to all children who took part, you represented school to a high standard and demonstrated some fantastic skills.

5 & 6 Girls Football

On Thursday 14th of November our girls' football team from Years 5 & 6 went to Broadfield School to take part in a football mini tournament. All the girls had trained well and were really excited. Our first game was against Padiham Green. We worked hard and played well as a team and after a fantastic throw in from Harper, Penny was waiting on the goal line to tap the ball into the back of the net. The final score was 1-1 which was a great result for our very first game. Our second match was against Ightenhill. This was a very difficult match. Their team were very well organised and very competitive. It was a hard-fought game and all our team played very well. Unfortunately, we lost the game 5-0. Thank you to Mrs Barker and Miss Robinson for all their encouragement and coaching and a big thank you to the parents for helping with transport.

Benchball

On Wednesday 6th November 8 children from Year 6 attended a Year 6 & 7 transitional benchball event at Spirit of Sport. The children were split into 2 teams and played 6 other teams across 3 schools. The children each had two members of Blessed Trinity on their team and needed to work together to get all team mates on the bench. The event was made even more fun as the games were played in glow in the dark conditions. Music made the atmosphere enjoyable, and the children managed to win several games. Well done to all those who took part and a special mention to Ziyaad and Harper on receiving their school games badges for determination.
